

The Ohio State Firefighters' Association Regional Seminar Free Training CE

The Ohio State Firefighters' Association is taking a proactive approach to provide educational opportunities and approved CE for the Ohio Fire Service in 2024.

Committed to providing education and promoting good will among its members, the OSFA will be offering seminars around the state with approved Fire CE. Fire Instructor updates, Inspector CE are sometimes hard to find and attend. OSFA will begin this year by sponsoring several of these types of seminars around the state for the Ohio Fire Service. There will be no cost for these seminars.
