

The Ohio State Firefighters' Association Offers FREE Training

Hosted by: Sutphen Corporation

Date: Saturday, May 10th, 9:00 am

Location:

Sutphen Corporation, Urbana

935 South Edgewood Road

Urbana, Ohio 43078

8:30am to 4:00pm

Morning Session 9:00 am to 12:00

The Division of EMS will present an overview and structure of the Division : Including

- EMFTS Board & Fire Sub Committee
- Current Fire Certifications and required Continuing Education Requirements
- Current EMS Certifications and required Continuing Education Requirements
- Investigations and loss of a certification

Lunch provided

Afternoon session 1:00 to 3:30

The staff at the Sutphen Corporation will guide you through their history of fire apparatus and current day requirements to meet NFPA 1901. Hear about fire pump options, body design and cabinet configurations, power plants availability and overall performance. We will then take a tour of the new facility to see all these pieces of apparatus come together.

Although the classes are free, you must register to attend to osfaconed@gmail.com
